

# Fall Opening

Thursday, Friday and  
Saturday,  
19th, 20th and 21st.

are the days we have set aside as Show Day to exhibit to the ladies of Richmond and adjoining counties the smartest style creations from fall and winter 1918 wear. Our Millinery Department was never in better trim to serve you in a satisfactory manner than now. Chic new models in such a wide range of styles and prices that the most critical can be satisfied in every way. You'll be sure to find just what you want here.

## BEAUTIFULLY TAILORED GARMENTS.

Every one from rich fabrics that add much to their unequalled style and durability. A visit to our Coat and Suit Department will prove enjoyable as well as instructive.

## GOOD SHOES.

Our only ambition is to sell GOOD SHOES. Every live man has an ambition—a "bug" on some one thing. He can't help it. One man is keen on politics. Another is doing his best to reach the pinnacle of fame in science. Another is trying to make his ball team win the pennant. OUR "bug" is SHOES. We think shoes. We study shoes. We want to sell more men and ladies their shoes than any other two shoe stores in town. And if Goods and Prices will do the trick, we'll accomplish it. Just give us a chance to deliver "Shoe Satisfaction" to you. There's a combination of Good, Sound reasons for this store's continued growth—dependable goods, fair prices, considerate service. Everything guaranteed to satisfy the customer. For the same reasons you will find this store the most satisfactory place to trade. You'll never know the advantages offered by this store until you give us a trial. The sooner you try us, the better it will be for both of us.

# SPARE CLOTHING

## An Appeal for Your Spare Clothing by the Commission for Relief in Belgium.

Herbert Hoover, Chairman of the Commission for Relief in Belgium, has asked the American Red Cross, through H. P. Davison, to collect an additional five thousand tons of used clothing for the Belgians. The request has been gladly received, as the American Red Cross welcomes the opportunity to render such a needed service. The date set for this campaign is September 23-30, 1918.

Back of the German wall that has hemmed in Belgium and a part of Northern France ten million human beings look to us for clothing as well as for food. We who are well clothed can hardly appreciate in what dire need these people are for lack of necessities. Stacks of clothing and raw material are long since exhausted. There are no imports other than those the Commission for Relief in Belgium has been permitted to make, and those never have been sufficient. The world is now short of both clothing and raw material, so the Commission can no longer purchase what is needed. But YOU can GIVE it.

Every household in the land has some spare clothing, worn or outgrown, of little use here, but desperately needed by the destitute there. There is an immediate need for every sort of garment, blankets, sheets and shoes. The very wonderful results of the clothing campaign of last March assisted in helping to meet the demands, but when we realize that there are ten million inhabitants in the occupied regions, it is seen that we cannot send too much. As long as the war lasts, Belgium and occupied France must depend chiefly on America for aid. To insure the steady supply of garments, we appeal to the generosity of our Richmond county people.

Every kind of garment, for all ages and both sexes, is urgently needed. In addition, piece goods, canton flannel and other kinds of cloth from which to make garments for new-born babies, ticking, sheeting and blankets, woolen goods of any kind, and shoes of every size are asked for. Scrap leather is also needed.

Since the clothes will be subjected to the hardest kind of wear, only garments made of strong and durable materials should be sent. It is useless to offer to any afflicted population garments of flimsy material or gaudy coloring. Make the gifts practical. Garments need not be in perfect condition. A hundred thousand destitute women in the occupied regions are eager to earn a livelihood by repairing gift clothing and making new garments adapted to needs with which they are familiar. Garments needed are:

### MEN'S WEAR:

Shirts (preferably of light, colored flannels), undershirts, undershirts, trousers, coats, work suits (overalls), suits (three piece), shoes, overcoats, sweater vests, socks (10 1-2 and 11')

### Women's Wear:

Skirts, drawers, corset slips, petticoats, blouses, shirts, overcoats, Suits (two piece), pinafores, shoes, cloth hats, knitted caps, stockings (sizes 7 and 8.)

### BOY'S WEAR:

Shirts, union suits, undershirts, trousers, coats, suits, shoes, overcoats, jerseys, socks (sizes 1 to 9.)

### GIRL'S WEAR:

Hooded caps, pinafores, woolen union suits.

### INFANT'S WEAR:

Swan skin swaddling clothes, cradle chemises, bodices, cradle dresses, sweaters, bonnets, bibs, nickerchiefs, shoes, diapers, baby dresses, hooded cloaks, jackets, shawls, socks.

### MISCELLANEOUS:

Bed ticks, bed sheets, pillow cases, blankets, mufflers. Woolen goods of any kind whatsoever are acceptable; soft hats and caps for all ages, and sweaters of any kind and size. Men's shirts and pajamas, so worn and shrunken as no longer to be serviceable, are particularly welcome, since the material can be utilized for children's garments.

### Do Not Send

garments of flimsy material or gaudy coloring, ball dresses, high-heeled slippers, etc. Or stiff hats, either men's or women's, straw, dress or derby. Or anything containing rubber, raincoats, rubberboots etc. (Rubber heels can easily be removed from shoes.) Or books, toys, soap, toilet articles. Notes or communications of any sort or description must positively not be sent!

A house to house canvass will be made for this purpose next week, beginning Monday, Sept. 23rd.

ROCKINGHAM RED CROSS CHAPTER.

## How Much Would the KAISER Tax Your Business?

Think this thought twice over: "If we should fail to win this war what would happen to my business?"

What is left of business in the invaded districts of France and Belgium? What will be left of business here, if we fail to crush the sinister power of Prussian militarism? How much would you have left after paying the taxes and levies imposed by a victorious Germany?

## Defend Yourself With LIBERTY BONDS

This is not only a war for Democracy and Liberty, but a war of self-defense. Germany menaces our rights, our self-respect, our homes, and our means of livelihood.

Every citizen—every business man—has weapons of defense ready to his hand. These weapons are Liberty Bonds. We cannot all fight with guns and bayonets but we can all fight with Liberty Bonds.

## Buy to Your Utmost

Of course you have bought Liberty Bonds. Every one has. But how *many more* will you buy? The success of the Fourth Loan and of the war itself depends on your answer to that question.

Buy all the bonds you can. Go to your bank and make your arrangements. Buy more than you ever thought you could buy.
